

VENTANA

Story Behind >>

Nothing is worse than living in a room without sunshine in California.

Story Behind >>

I always want to capture the great sunshine,
the shadow and the light and paste them in my room.

Story Behind >>

It would be nice to have a window full of sun light anytime of the day.

VIBIA >>

VIBIA

Founded in 1987, VIBIA is a global architectural lighting company based in Barcelona.

They Believe >>

“Light is at the foundation of space design. Alongside architects, interior designers, lighting designers, engineers and dealers, we aim to improve the world through a single aspiration: creating better spaces to live.”

Brand >>

They brought warm, intimacy, high-end, minimalist into their design, revealing a direct, honest, practical, and efficient brand personality.

Conclusion >>

I love this brand and its design because I noticed they aren't just designing the form of the lamp, but also very delicate to the lighting effect.

In many of their designs, the lamps are silent and invisible when the lighting effects are absolutely astonishing.

Scenario >>

It will be an indoor light. It can be mounted on the wall or stand on your desk. It projects a shadow of the window on the wall to set up the mood and atmosphere in the room.

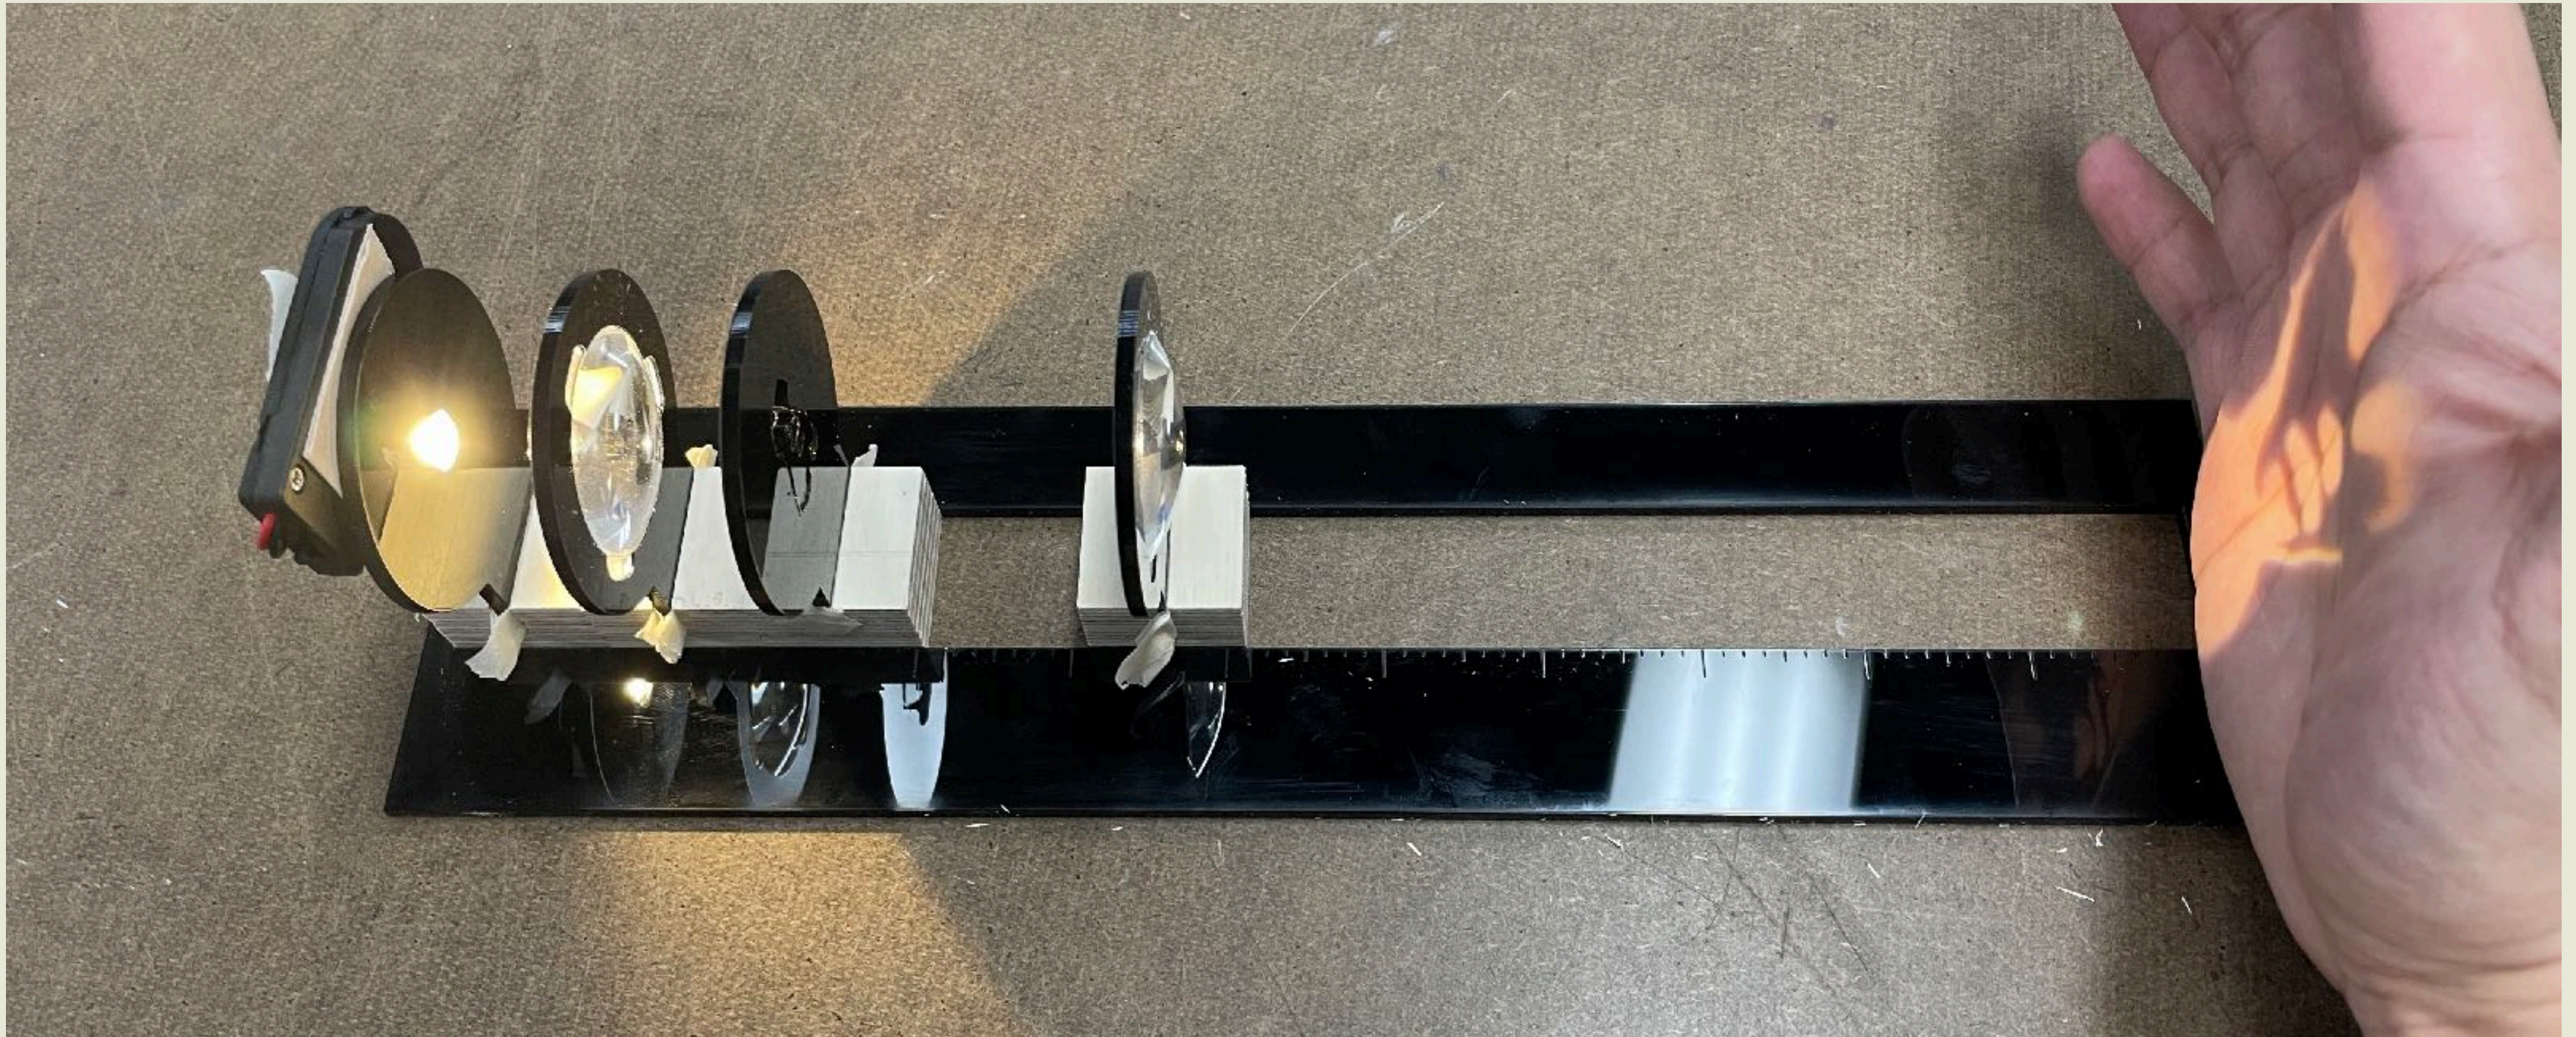

Whom is it for >>

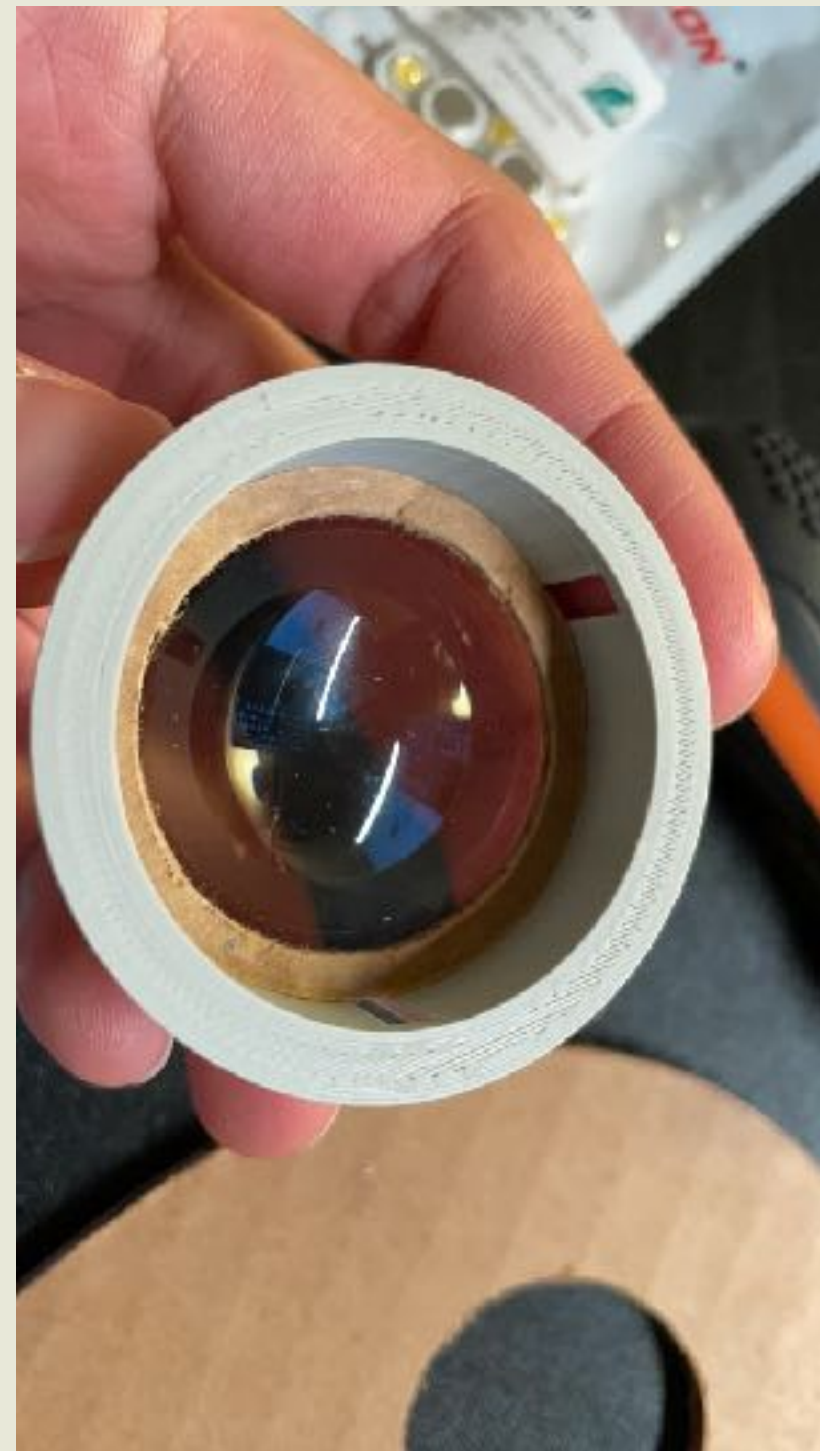

People who wants to have a window
illusion in their room anytime of the day.
